The location of the school is at Vasudevpur, Darbhanga (Bihar), which is surrounded by villages that is the reason there is a good scope for growth of school since there is lacking quality education. Promoter is already running a B. Ed college in the same campus.

Regarding overall viability of this project we may analyse the same in form of SWOT :

Strength of the School and College:

- ❖ Promoter of the school is in same business activity,
- ❖ Promoter is trust worthy and honest,
- ❖ Promoters is in friend family Relationship,
- ❖ Promoter is financially sound,
- ❖ Promoter is offering sufficient collaterals,
- ❖ Promoter has existing established networks for earnings.

Weakness :

- ❖ Apparently there is no weakness of the project or promoter.

Opportunities:

- ❖ There is good demand for quality education in the Vasudevpur, Darbhanga and in nearby village location.
- ❖ The promoter is intended to provide quality education facility that will enable villagers to provide quality education to their children at economical rate.
- ❖ All the infra structural facility easily available to the school.
- ❖ Now Government is providing various funds to private sector that will improve the quality of school.

Threats:

- ❖ There may be competition in the market.
